ABOUT ME

I am an adaptable and approachable individual with a passion for learning and personal growth. My diverse interests enable me to manage multiple tasks effectively, balancing academic pursuits with my extracurricular activities and hobbies. I thrive in collaborative environments and can engage in conversations with anyone about anything. My ability to integrate and connect with others makes me a valuable team player, always ready to support and contribute.

STRENGTHS

Persistent Determined Fast Learner Versatile
Hard-worker Fighter Eye for Detail Skillful
Good Speaker & Writer Pontual Resourceful

Java Python JavaScript Vue Ruby on Rails
HTML & CSS React React Native Tailwind
C C++ C# Haskell SQL Postgres

EXTRAS

Voluntary Work

- São Vitor Parish: Currently, I am a leader of one of the youth groups at the parish, a role I have been fulfilling for 3 years. It has taught me numerous people skills, as well as organization, planning, and event management.
- Liga Portuguesa Contra o Cancro & Food Bank: I volunteered for several years, often within the parish, helping to collect donations and food supplies.

Sports

- Karate: I have been practicing Federated Karate since. Currently, hold the Preshodan grade from AKWP/JKF Wado-Kai Portugal. Planned and conducted various training sessions when necessary, either alone or with the assistance of another graded colleague. Finished 1st and 2nd place in senior Kumité at the national championships of A.K.W.P. and 2nd place in cadet Kumité at the national championship of A.K.W.P.
- CD Lago: I currently help manage the under-13, fut 7 team
- Gym: I currently go to the gym on a fairly regular basis.

Driving

- I have a type B driver's license (for private cars)
- I have my own vehicle.
